

## Vision 2050 The Young Members and Volunteers of the Order of Malta

*Vision 2050 is an international and borderless platform for all young members and volunteers of the Order of Malta. It provides support for the young members and volunteers, involved in both the local and international activities of the Order, to come together, share best practices and collaborate in their activities and discussions.*

### What can Vision 2050 do for you?

- **Encourages common works** throughout the Order of Malta, such as the Cathedral Steps
- **Supports international collaboration** between the young members and volunteers
- **Shares best practices** between youth groups
- **Offers financial support** for works of the Order
- **Provides support** for works of the youth through communications and social media
- **Shares volunteering or employment opportunities** within the Order of Malta

### The website:

The Vision 2050 website will be launched on the 12<sup>th</sup> October: [www.orderofmaltavision2050](http://www.orderofmaltavision2050)

It will provide a digital platform for all of the young members and volunteers of the Order and promoting the sharing of best practices, collaboration on international activities, and advertising of jobs and volunteer opportunities around the world.

### How can you get involved?

- **Encourage active young members and volunteers to participate** in Vision 2050 and represent their local Association or Priory
- **Advertise jobs** in the Order to the international community
- **Open up volunteer opportunities** to young members and volunteers around the world
- **Share your impact** and provide resources for others to use in their work
- **Advertise events and fundraisers** to the international community
