

ORDER OF MALTA
VISION 2050

The Young Members and Volunteers of the Order of Malta together with The Global Fund for Forgotten People and Vision 2050

Vision 2050 is an international and borderless platform for all young members and volunteers of the Order of Malta. It provides support and financial assistance for young members and volunteers, involved in both local and international activities of the Order, to come together, share best practices and collaborate in their activities and discussions.

The Global Fund for Forgotten People raises money for a range of works of the Order of Malta which reach out directly to people who would otherwise be forgotten.

Since the Fund was established in 2012, it has awarded 198 grants in 60 countries, across 51 bodies of the Order of Malta.

The works of the Order which the Fund supports include projects initiated and run by young members and volunteers through the Order's Vision 2050 initiative.

How can the Global Fund for Forgotten People help you?

ORDER OF MALTA KNOWLEDGE

Professional
expertise

Connecting young
members and
volunteers globally

Help us help you!

What can you do to help Vision 2050?

Share your impact

Tell us about projects or activities you run through the Order of Malta. You can do this by:

- email vision2050@forgottenpeople.org
- 'add your success story' to the Order's Vision 2050 website
- tag 'Order of Malta Vision 2050' in a post about your work on Facebook

Send us materials relating to your projects and activities:

- photos
 - videos
 - quotes
 - reports of your work
-

Spread the word

- Encourage friends to **participate in the Vision 2050 website**
 - **Join our mailing lists** to keep up to date with what is going on in the Order of Malta
 - **'Like' our Facebook pages** - the **Order of Malta Vision 2050** and the **Global Fund for Forgotten People**
 - **'Like' our Facebook posts**
 - **Share our newsletters**
-

Toolkits

Do you run a project or activity of the Order of Malta in your country which could be replicated in other regions?

Can your project be turned into a 'toolkit'?

Toolkit Example: The **Cathedral Steps Toolkit** is a simple and engaging way to begin a work of the Order, and to help those in need in your own country. The Cathedral Steps project aims to provide a breakfast for the homeless community after Mass each Sunday. The Cathedral Steps Toolkit contains all the information and advice you need to begin this project, including a budget, information on advertising in the homeless community, check lists and how to apply for a **Global Fund for Forgotten People** grant.

To download the Cathedral Steps Toolkit visit:
